Product List – Laundry Products

This product line features a wide range of laundry solutions designed to meet the highest standards of cleanliness and fabric care. Each product is formulated with high-quality ingredients to deliver effective stain removal and fabric protection, while being gentle on textiles. Our range includes laundry powders, liquids, and specialty additives, many of which incorporate eco-conscious components to ensure thorough cleaning while minimizing environmental impact.

Industrial Laundry Powder

Cold Scour is a heavy-duty laundry powder completely soluble in hot and cold water. It is a low-foaming product that makes it suitable for either front loaders or top loaders.

Commercial Laundry Powder

Clean n Fresh is a leader in enzymatic cleaning. It releases the power of 4 different types of enzymes and possesses a non-chlorine oxidation action for color safety and superior whiteness..

Bright Laundry Powder

A high-performance laundry powder formulated to brighten and protect colors while effectively removing tough stains. Suitable for all washing machines and water types.

Enzyme Laundry Powder

A powerful enzyme-based laundry powder designed to break down protein-based stains and deeply embedded dirt, leaving clothes clean and fresh.

Laundry Sour

A laundry additive that neutralizes residual alkalinity in fabrics after washing, preventing yellowing and improving fabric softness and lifespan.

Dr Bright Laundry Powder

Formulated to brighten whites and colors, this laundry powder is ideal for maintaining the vibrancy of your garments with every wash.

Power Plus

Power Plus is a one-shot laundry detergent designed for industrial laundry use where high alkali muscle power is needed for the removal of severe soiling, such as abattoirs, workwear, and mechanics' overalls.

DC Choice Laundry Powder

A versatile and economical laundry powder that provides effective cleaning with the added benefit of optical brighteners, ensuring whites and colors remain vibrant.

Dr Enzymatic Laundry Powder

An advanced laundry powder with a specialized enzyme formula that targets tough stains and soils, ensuring superior cleaning results.

DC Choice Laundry Liquid

An all-purpose laundry liquid that ensures effective cleaning of various fabrics while leaving a fresh and long-lasting fragrance.

DL Laundry Liquid

A concentrated laundry liquid designed for everyday washing needs. It provides excellent cleaning power and leaves clothes smelling fresh

Dr Bright Laundry Liquid - Sky Blue

Dry Cleaners Choice Laundry Liquid is a highly concentrated all-purpose laundry liquid. It contains optical brighteners and anti-depositing agents to leave a wide variety of garments cleaner and brighter with a fresh lavender fragrance.

Dr Enzymatic Laundry Liquid – Green

A green-colored laundry liquid with enzyme action that effectively breaks down stains and dirt, ensuring clean and bright garments.

Ecofresh

Ecofresh is a specially formulated dual enzyme action laundry liquid that specializes in the removal of starch and protein-based stains. It is pH neutral, making it suitable for sensitive fabrics like silks and wool, and leaves clothes smelling fresher for longer.

Laundry & Nappy Soaker

A powerful soaker for laundry and nappies that lifts and removes stubborn stains, leaving fabrics clean and odor-free

Battledress Stiffener

Battledress Stiffener is a wet-side stiffening agent designed for creating very firm finishes, such as military drabs or for permanent starching of items like table linens. The effects can last up to 10 dry cleaning cycles or 5 laundry washes.

Wet Det

Wet Det is a mild neutral liquid laundry detergent containing optical brighteners that help lift the color on white and colored garments. With a pH of 8, it is suitable for laundering wool, silk, or blankets and can be used in automated dispensing equipment.

Woolwash

Woolwash is a pH neutral and phosphate-free detergent, specially formulated for washing delicate materials such as wool and wool-blended fabrics. It leaves cleaned garments fresh and soft with a hint of eucalyptus fragrance.

Spray Starch

Spray Starch is a ready-to-use textile finishing aid for improving the finish on fabrics at the pressing stage. It is water-soluble and can be thinned to suit the application of either hand or air equipment. If a firmer finish is required, the addition of Battledress Stiffener can be mixed with Spray Starch to produce the desired results.

Laundry Bag

A durable laundry bag ideal for transporting clothes to and from the laundromat. Made with breathable materials to prevent mildew.

Aquaproof Concentrate

Aquaproof Concentrate is a specially developed formulation that creates water-repellent elements in your garments, allowing them to bead and expel water with ease, keeping you dry on the inside. It also has the added benefit of protecting your garments from oil and dirt.

Laundry Mesh Bag

A mesh laundry bag designed to protect delicate items during washing. Available in various sizes to accommodate different laundry needs.
